

United Way of Mat-Su

ANNUAL REPORT 2019

"The smallest act of kindness is worth more than the grandest intention" -Oscar Wilde

This has been a year for learning what we can truly accomplish if we work together. In the wake of the McKinley Wildfire, we witnessed unspeakable loss, but also immense compassion.

We have been honored to serve alongside several other Valley agencies in response to the fires. Many community partners, neighbors and friends have made possible the road to reconstruction for those who have lost everything in the fires.

Support for those affected by the November 2018 Earthquake is ongoing. Efforts will continue through the winter. Our sincere thanks to all who have dedicated so much time

and effort to earthquake relief.

And, in the midst of emergency, we are more grateful than ever for our volunteers, partners and sponsors, whose support meant we were able to provide tried and true events like Stuff the Bus, financial support like our Community Impact Grants, and rise to the new challenges the Mat-Su has faced.

We need you because YOU are United Way of Mat-Su! Thank you,

STEPHANIE L. ALLEN

Executive Director

EDUCATION

Stuff the Bus 2019

Haircuts, required immunizations, a clothing closet with gently-used treasures and kid-approved backpacks full of needed school supplies: all this, plus resource tables and smiling volunteers made 2019's Stuff the Bus Back to School Fair a big success.

We are so grateful for our friends at Hello Darlin' Salon, Shear Fire Design, Big Lake Community Clothing Closet, Frontline Mission, the Menard Center, and our many community volunteers for their hard work in helping Mat-Su students look and feel their best for the first day of school! Generous support from ConocoPhillips, Kiwanis Club of Palmer, and Mat-Su Health Foundation made this possible.

Through our ongoing partnerships with Mat-Su Borough School District schools, we are privileged to reach Valley students with a variety of resources, support and programming. Our staff coordinates and presents programs and activities for youth in the Mat-Su through the Youth 360 school-based clubs program, Thrive Mat-Su's free youth programs, education and activities (launched in late 2019, and by collaborating with MSBSD schools to identify and address challenges faced by MSBSD families and students.

Thrive Mat-Su Youth Retreat

Bringing together exceptional youth for a week of peer-to-peer connections, outdoor recreation and leadership development. The Thrive Mat-Su Youth Retreat is held at beautiful North Star Bible Camp in Willow, AK. Each year's offerings focus on creating positive peer relationships between local youth interested in building community, strengthening leadership and communication skills, and participating in activities that promote teamwork and creative problem-solving. This year's activities included mindfulness, a True Colors workshop and an annual favorite, "Can I Eat This or Will It Kill Me?: Basic Foraging in Alaska".

Overwhelmingly, youth expressed a desire for more free time to connect with their peers, as well as quiet space to discuss their thoughts on what they were learning.

We were more than happy to accommodate these organic peer relationships, forging lasting friendships in just a few short days.

FINANCIAL STABILITY

Project Homeless Connect

Project Homeless Connect brings together Valley agencies in a day of service for those experiencing housing instability and homelessness around the Mat-Su. 2019's event was a day for companionship, community giving and comfort for all who attended. Över 250 Mat-Su residents, identified as in need of help,

were able to partake in a hot meal, showers, personal care, resource assistance and gather with others in the warmth at the Menard Center.
Thank you to all volunteers and local agencies who labored to give comfort to clients!

Mat-Su Valley Resource Guide

A Mat-Su Valley staple for agencies and residents, the Resource Guide is distributed by the thousands annually, providing up-to-date, easy-to-access resources like food, shelter, transportation, activities, medical, substance abuse prevention, education and youth programs information.

The Guide is available for download on our website and in limited printed quantities.

Additions and corrections are always welcome!

To make an addition or correction to the Resource Guide, please email your information as you'd like it to appear: admin@unitedwaymatsu.org

Throughout the year, we distribute hundreds of prescription discount cards around the Mat-Su. The FamilyWize program, in partnership with United Way, provides up to 42% off of qualified prescription costs after insurance has paid.

This program can be a lifesaverliterally!

The discount card is available in our office,

or for download on our website. Ask your pharmacist to use this discount when you pick up your order!

Drug Takeback & Safe Drug Disposal/Education

Our annual Drug Take Back Days in April and October help the community dispose of unused, expired prescription drugs, patches, and OTC medications. Safe drug disposal bags are available at participating locations such as local Fred Meyer and Target stores.

Year-round, UWMS and Thrive Mat-Su help to distribute safe drug disposal bags around the community. These single-use bags neutralize prescription pills and liquids, allowing for safe disposal in regular trash receptacles.

Drug bags and educational materials provided by Project Hope.

Parks & Playground Projects

Valley playgrounds and parks are getting facelifts from UWMS volunteers and partners! Whether clearing brush and installing security cameras at the Palmer Amoosement Park or helping complete the Ninja Course at Iditapark, we're always on the lookout for ways to make the Valley a safer, more accessible place to play.

Is there a local park or playground near you that could use some TLC? Let us know! Email give@unitedwaymatsu.org or leave us a message via our website.

Senior Farmer's Market Program

UWMS partcipates annually in providing access to fresh local produce to Valley seniors through the Senior Farmers Market coupon program. Coupons supplied via this program allow seniors to purchase healthy Alaska grown produce at any participating farm stand or farmers market.

2019 VOLUNTEERISM:

Community coming together to serve.

In 2019, our dedicated volunteers donated thousands of hours to our projects across the Mat-Su. YOU distributed over 1,200 backpacks and school supplies to Valley students; assisted over 300 Mat-Su residents with essential services during Project Homeless Connect, and taught over 100 youth a new skill at Play 60. Day of Caring expanded into a Week of Caring, completing tasks for local nonprofits needing a helping hand.

2019 Volunteerism Awards

2019 DAJ Lifetime Achievement Award: Fred Van Wallinga

Volunteer of the Year: Christine Greco

Business partner: MTA

It was wonderful to gather together with volunteers, donors and community partners to celebrate all that volunteerism, and these exceptional community members, do for the Valley.

Time and again, when we call for volunteers in the Valley to gather in support of our community, YOU all answer that call! Over 2,500 volunteer hours were contributed in 2019 by UWMS volunteers, and that represents dozens of projects and tasks toward building a better Mat-Su for all.

Thank YOU for being a part of United Way of Mat-Su!

DISASTER RELIEF

Long-Term Recovery Group

UWMS and Mat-Su COAD led the fire recovery effort by convening and coordinating the McKinley Fire Long Term

Recovery Group. It can take many months, even years, for survivors of natural disaster to return to

their pre-disaster situation.

With the help of many community volunteers, partners, local businesses and neighbors, the McKinley Fire LTRG worked throughout the year, including in subzero temperatures, the middle of the night, and in remote locations, bringing food, clothing, furnishings and building entire new homes for fire survivors.

The recovery effort is ongoing as we continue to identify needs in the areas

most affected by the fires.

Many thanks to the community members who have volunteered countless hours of their time to see recovery through to completion, particularly LTRG members, case managers, local donors and members of the Donations Management volunteer team.

We are privileged to serve alongside numerous Valley agencies as the coordinating body and charter member of Mat-Su COAD (Community Organizations Active in Disaster).

Mat-Su COAD brings together agencies wishing to assist during disasters and emergencies, providing coordination, collaboration and pooling resources to meet survivors' needs.

In 2019, the expertise of COAD members, and especially the experience of United Way of Mat-Su in responding to local disasters was needed to help those continuing to recover from the November 2018 earthquake. While the earthquake occurred in late 2018, the onset of winter meant delays and headaches for earthquake survivors in the Mat-Su. Throughout January and until May 2019, UWMS managed the cases of those left without running water, indoor plumbing and adequate heating and help ensure that they would be able to make

needed repairs once the ground thawed.

To join Mat-Su COAD, call (907)745-5827 or email impact@unitedwaymatsu.org

EARLY CHILDHOOD PARTNERSHIP

The Early Childhood Partnership engages childcare providers, parents/guardians, partner agencies and early childhood specialists across the Valley to increase resources and foster supportive relationships for families of young children.

Play Time At the Borough Gym

Working with the Palmer Parents Group and funded by Mat-Su Health Foundation, ECP was pleased to host a weekly free Play Time at the Borough Gym during the fall and winter of 2019.

Families with young children ages 6 and under were invited to attend, make new friends and spend every Wednesday engaged in creative, active play. We are hopeful that Play Time will be resumed in the near future.

Center Grants

Through the partnership of Mat-Su Health Foundation, ECP awarded grants to several Valley childcare centers, to be used for improving the safety and security of their facilities. We are pleased to have been able to help centers com- plete their outdoor playgrounds, repair doors, walkways and heater covers, improve accessibility and more.

Our FY2020 recipients were: A Touch of Home Childcare & Learning Center; Palmer Lifeways; Profiles of Excellence; Ray's Childcare; and Tree of Life Child Development Center. We hope the improvements funded by this grant are enjoyed for years to come!
